promoting healthy school environments

**Register your school district in the ENVISION program today!**

The Vermont Department of Health is available to assist you in reducing indoor air problems that can lead to headaches, fatigue, sinus congestion, increase in the severity of asthma episodes, and other respiratory problems. Take the first step. Sign up for the free training program for school administrators, custodians, nurses, and teachers.

To get started, send in this card or call **1-800-439-8550**.
